

## Wabi-kusa in Plant Glass

### Enjoy Wabi-kusa near you

Enjoying Wabi-kusa in emerged form with a Plant Glass; this is another way of keeping aquatic plants near you. Why don't you display an aquatic plant with lighting system designed with a gentle curve?

Each aquatic plant competes growing each other even in a small container. It can feel the strength of aquatic plants.

Wabi-kusa Stemmed Plants Mix x1  
Plant Glass Cube 20  
Branch Black  
Branch Stand Low type "Black"
